CALL FOR PROGRAMME PARTNERS FOR THE 60th KENYA VETERINARY ASSOCIATION (KVA) CONGRESS – APRIL 21–24, 2026

The Kenya Veterinary Association (KVA), is pleased to invite programme partners for our upcoming 60th KVA Annual Scientific Congress, scheduled to take place from April 21st to 24th, 2026 at a venue to be confirmed. This milestone congress will bring together veterinarians, researchers, policy makers, industry leaders, and other key stakeholders from across Kenya and the East African region to exchange ideas, innovations, and experiences shaping the animal health and production landscape.

In recognition of interest from our members and partners in collaborating with us to make the event a success, we wish to extend a special call for programme partners to participate as strategic partners through any of the following areas:

1. Sponsorship of an Industry Symposium: Sponsoring and hosting industry sessions, featuring a series of short lectures highlighting your innovations, research, and field experiences in animal health and productivity as follows:
 - 1-hour sessions at KES 800,000/- only
 - 40-45 Minute sessions at KES 500,000/- only
 - 20-25 Minute sessions at KES 250,000/- only
2. Support for Delegates: Sponsorship of selected delegates from Kenya and across East Africa who will travel to attend and participate in the congress and your pre-congress events.
3. Pre-Congress workshop: To organize and sponsor a half-day pre-congress workshop on April 21st, 2026, focusing on key thematic areas aligned with your ongoing programs and innovations.
4. Congress Speaker: Invitation to nominate and sponsor a speaker to present on your behalf during both the main congress and your pre-congress side events, ensuring your expertise and perspectives are well represented among regional stakeholders.

Attached is the draft congress programme with topics and slots for your review and selection. Please note that the topics can be adjusted after discussion between KVA and partners. If interested in potential partnership, please reach out to us through info@kenyavetassociation.com or call the KVA office on +254727680022

Thank you for your continued support and collaboration.

Sincerely,

DR. KELVIN OSORE
NATIONAL CHAIRMAN, KENYA VETERINARY ASSOCIATION
